

Supplementary Table S1Literature search conducted on 17 November 2020

This search was conducted in the MEDLINE database only using the search strategy detailed below. The purpose of this search, which was limited to systematic reviews, was to inform the initial topics list that was discussed during the focus groups held in December 2020.

Database and platform: Medline (Ovid MEDLINE® Epub Ahead of Print, In-Process & Other Non-Indexed Citations, Ovid MEDLINE® Daily and Ovid MEDLINE®) 1946 to present

Search filter: McMaster systematic review filter (for MEDLINE OVID) best balance sensitivity and specificity (modified)
